Professional Summary

Undergraduate at the University of Sri Jayewardenepura majoring in Computer Science, and an aspiring Software Engineer Intern skilled in Java, Spring Boot, React.js, and MySQL, with hands-on experience building scalable and secure web applications. Strong problem-solving skills, a solid foundation in Object-Oriented Programming and Data Structures, and a commitment to continuous learning.

Technical Skills

Programming Languages: Java, C, JavaScript, TypeScript, Python

Frontend: HTML, CSS, React.js, Tailwind CSS

Backend: Java, Spring Boot, Node.js

Databases: MySQL, PostgreSQL

Core Concepts: Object-Oriented Programming, Data Structures and Algorithms, SQL and NoSQL Databases

APIs and Security: REST APIs, JWT Authentication

DevOps and Tools: Docker, Jenkins, Git, GitHub, Postman, Jira

Other Skills: Microservices Architecture, JavaMail/SMTP, Web Hosting

Project Experience

SkillBridge Lanka – Student Job Portal

Jan 2025 – Apr 2025

Tech Stack: React.js, Spring Boot, MySQL, Docker

- Engineered a microservices-based job portal connecting Sri Lankan students and NVQ holders with verified recruiters for part-time and entry-level jobs, supporting [QUANTIFY: e.g., 500+] listings
- Built RESTful APIs using Spring Boot and integrated them with a React.js frontend, reducing page load time by [QUANTIFY]%
- Implemented Spring Security, JWT authentication, and Role-Based Access Control (RBAC) across [QUANTIFY: e.g., 3] user roles
- Managed persistence using Spring Data JPA, Hibernate, and MySQL across [QUANTIFY] relational tables
- Created job posting, job search, and application management features with Maven
- Wrote JUnit/Mockito tests achieving [QUANTIFY: e.g., 80%] code coverage and configured Jenkins CI/CD for automated deployment

Aswenn – Full-Stack Agriculture Marketplace

Sep 2024 – Dec 2024

Tech Stack: React.js, Spring Boot, MySQL

- Developed a full-stack monolithic platform enabling farmers to sell agricultural products directly to buyers without intermediaries
- Designed farmer profile and product management modules using Spring Boot, supporting [QUANTIFY] product categories
- Implemented secure authentication with Spring Security and JWT
- Modeled and stored application data using Spring Data JPA, Hibernate, and MySQL
- Delivered buyer order management, product browsing, and farmer contact features

Restaurant Booking System (Java GUI)

Mar 2024 – May 2024

Tech Stack: Java, MySQL, NetBeans

- Created a table reservation system with automated email confirmations using Java and Swing (NetBeans GUI)
- Applied Object-Oriented Programming (OOP) principles for a modular, maintainable design
- Integrated JDBC and MySQL for database connectivity and data management

SL Paradise – Travel and Package Booking Platform

Oct 2023 – Jan 2024

Tech Stack: PHP, MySQL, HTML, CSS, JavaScript

- Developed a web platform for users to browse and book travel packages across Sri Lanka
- Built an admin panel for managing users, bookings, and packages
- Designed a simple, interactive interface for easy navigation and booking workflow

Education

University of Sri Jayewardenepura

2022 – Present

BSc in Physical Science (Major: Computer Science)

Sri Lanka

G.C.E. Advanced Level Examination

2021

Mathematics Stream – Successfully Completed

Sri Lanka

G.C.E. Ordinary Level Examination

2017

7 A passes, 1 B pass, 1 C pass

Sri Lanka

Certifications and Achievements

- **MoraXtreme 9.0** – Algorithmic Coding Competition, Team CodeSpark, IEEE Student Branch & IEEE Computer Society, University of Moratuwa *Oct 2024*
- **Shuttle Master '24** – 3rd Place, Maximum Distance Water Rocket, Team Meta 69, Astronomy Club, University of Sri Jayewardenepura *2024*
- **Python for Beginners** – Online Learning Program, CODL, University of Moratuwa *May 2025*
- **CSA Committee Member** – Recognized at the Annual General Meeting, Computer Science Association, University of Sri Jayewardenepura *2026*

Leadership and Extracurricular Activities

- **Committee Member**, Computer Science Association, University of Sri Jayewardenepura – Organized academic and technical events; assisted in planning workshops, seminars, and student development programs
- **School Prefect** – Demonstrated leadership, discipline, and responsibility

Languages

Sinhala (Native), English (Professional – English Language Course completed at KEA)
