PROFESSIONAL SUMMARY

I am an undergraduate at the University of Sri Jayewardenepura, majoring in **Computer Science**, and a passionate Full Stack Developer. I am skilled in **Java**, **Spring Boot**, **React.js** and **MySQL**, with hands-on experience building scalable and secure web applications. I have strong problem-solving skills, a solid foundation in **Object-Oriented Programming** and Data Structures, and a commitment to continuous learning.

TECHNICAL SKILLS

- **Programming Languages:** Java, C, JavaScript, Typescript, Python
- **Frontend Technologies:** HTML, CSS, React.js, Tailwind CSS
- **Backend Technologies:** Java, Spring Boot, Node.js
- **Databases:** MySQL, PostgreSQL
- **Core Concepts:** Object-Oriented Programming, Data Structures and Algorithms, SQL & NonSql Database
- **APIs & Security:** REST APIs, JWT Authentication
- **DevOps & Tools:** Docker, Jenkins, Git, GitHub
- **Other Skills:** Microservices Architecture, JavaMail / SMTP, Web Hosting

PROJECT EXPERIENCE

► SkillBridge Lanka – Student Job Portal

Microservices-based job portal connecting Sri Lankan students and NVQ holders with verified recruiters for part-time and entry-level job opportunities. - [github](#)

- Developed RESTful APIs using Spring Boot and integrated them with a React.js frontend.
- Implemented Spring Security, JWT authentication, and Role-Based Access Control (RBAC).
- Used Spring Data JPA, Hibernate, and MySQL for database management.
- Built job posting, job search, and application management features with Maven.
- Wrote JUnit/Mockito tests and configured Jenkins CI/CD for automated deployment.

Tech Stack: React.js, Spring Boot, MySQL, Docker

■ Aswenn – Full-Stack Agriculture Marketplace

Full-stack platform enabling farmers to sell agricultural products directly to buyers without intermediaries with use Monolithic Architecture. - [github](#)

- Developed farmer profile and product management modules using Spring Boot.
- Implemented secure authentication with Spring Security and JWT.
- Used Spring Data JPA, Hibernate, and MySQL for data management.
- Built buyer order management, product browsing, and farmer contact features.

Tech Stack: React.js, Spring Boot, MySQL

■ Restaurant Booking System (Java GUI)

Java GUI-based application for restaurant table reservations with email confirmations. Data is stored in MySQL. - [github](#)

- Developed a table reservation system using Java and Swing (NetBeans GUI).
- Applied Object-Oriented Programming (OOP) principles for a modular design.
- Used JDBC and MySQL for database connectivity and data management.

Tech Stack: Java (OOP), MySQL, NetBeans IDE, SMTP Email Integration, GUI Development (Swing/JavaFX)

SL Paradise – Web-Based Travel & Package Booking Platform

A web platform for users to browse and book travel packages in Sri Lanka, while admins can manage packages, bookings, and users efficiently. - [github](#)

- Package browsing & booking: Users can view available travel packages and make bookings.
- Admin panel: Admins can manage users, bookings, and packages.
- User-friendly interface: Simple and interactive design for easy navigation and booking workflow.

Tech Stack: PHP, MySQL, HTML, CSS, JavaScript

EDUCATION

BSc in Physical Science (Major: Computer Science)

2022 – Present

- University of Sri Jayewardenepura

G.C.E. Advanced Level Examination

2021

- Mathematics Stream (Successfully Completed)

G.C.E. Ordinary Level Examination

2017

- Successfully completed with 7 A passes, 1 B pass, and 1 C pass.

TOOLS & TECHNOLOGIES

Visual Studio Code, IntelliJ IDEA, NetBeans, Postman, Docker Desktop, Jira

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Committee Member – Computer Science Association

University of Sri Jayewardenepura

- Actively contributed to organizing academic and technical events for Computer Science undergraduates
- Assisted in planning workshops, seminars, and student development programs

Intern – School Leaver Program (6 Months)

Bank of Ceylon, Sri Lanka

- Developed strong communication, teamwork, and problem-solving skills
- Gained exposure to professional working environments

English Language Course

- Successfully completed at KEA

School Prefect

- Demonstrated leadership, discipline, and responsibility

LANGUAGES

- Sinhala
- English
