PROFESSIONAL SUMMARY

I am an undergraduate at the University of Sri Jayewardenepura, majoring in **Computer Science**, and a passionate Full Stack Developer. I am skilled in **Java, Spring Boot, React.js, PHP**, and **MySQL**, with hands-on experience building scalable and secure web applications. I have strong problem-solving skills, a solid foundation in **Object-Oriented Programming** and Data Structures, and a commitment to continuous learning.

TECHNICAL SKILLS

- **Programming Languages:** Java, PHP, C, JavaScript, Python
- **Frontend Technologies:** HTML, CSS, React.js, Tailwind CSS
- **Backend Technologies:** Java, Spring Boot, PHP
- **Databases:** MySQL
- **Core Concepts:** Object-Oriented Programming (OOP), Data Structures and Algorithms, SQL Database
- **APIs & Security:** REST APIs, JWT Authentication
- **DevOps & Tools:** Docker, Jenkins, Git, GitHub
- **Other Skills:** Microservices Architecture, JavaMail / SMTP, Web Hosting

PROJECT EXPERIENCE

► SkillBridge Lanka – Student Job Portal

Microservices-based job portal connecting Sri Lankan students and NVQ holders with verified recruiters for part-time and entry-level job opportunities.

- Developed RESTful APIs using Spring Boot and integrated with React.js frontend
- Implemented JWT-based authentication with role-based access control
- Designed separate modules for Job Seekers, Recruiters, and Admin users
- Implemented job posting, searching, and application management features
- Set up CI/CD pipeline using Jenkins and GitHub for automated builds and deployments

Tech Stack: React.js, Spring Boot, MySQL, Docker

► Aswenn – Full-Stack Agriculture Marketplace

Full-stack platform enabling farmers to sell agricultural products directly to buyers without intermediaries with use Monolithic Architecture.

- Farmer profiles & product management: Farmers can list products with contact details.
- Buyer interaction & orders: Buyers can view products, place orders, and contact farmers.
- Order tracking & secure login: Implemented basic booking system and secure login for users.

Tech Stack: React.js, Spring Boot, MySQL

► Restaurant Booking System (Java GUI)

Java GUI-based application for restaurant table reservations with email confirmations. Data is stored in MySQL.

- Booking Management: Make table reservations via NetBeans GUI with email confirmation.
- Email Notifications: Automated booking confirmations via SMTP.
- OOP Design: Built using Java OOP principles with GUI components (Swing/JavaFX).

Tech Stack: Java (OOP), MySQL, NetBeans IDE, SMTP Email Integration, GUI Development (Swing/JavaFX)

► SL Paradise – Web-Based Travel & Package Booking Platform

A web platform for users to browse and book travel packages in Sri Lanka, while admins can manage packages, bookings, and users efficiently.

- Package browsing & booking: Users can view available travel packages and make bookings.
- Admin panel: Admins can manage users, bookings, and packages.
- User-friendly interface: Simple and interactive design for easy navigation and booking workflow.

Tech Stack: PHP, MySQL, HTML, CSS, JavaScript

EDUCATION

BSc in Physical Science (Major: Computer Science)

2022 – Present

- University of Sri Jayewardenepura

G.C.E. Advanced Level Examination

2021

- Combined Mathematics – C
- Physics – C
- Chemistry – C

G.C.E. Ordinary Level Examination

2017

- Successfully completed with 7 A passes, 1 B pass, and 1 C pass.

TOOLS & TECHNOLOGIES

Visual Studio Code, IntelliJ IDEA, NetBeans, Postman, Apache, Docker Hub

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Committee Member – Computer Science Association

University of Sri Jayewardenepura

- Actively contributed to organizing academic and technical events for Computer Science undergraduates
- Assisted in planning workshops, seminars, and student development programs

Intern – School Leaver Program (6 Months)

Bank of Ceylon, Sri Lanka

- Developed strong communication, teamwork, and problem-solving skills
- Gained exposure to professional working environments

English Language Course

- Successfully completed at KEA

School Prefect

- Demonstrated leadership, discipline, and responsibility

LANGUAGES

- Sinhala
- English
